Welcome to South Worcestershire Parenting Support. We are a team for Parents! Within this flyer you will find information on all our groups for Parents / Carers.

What are groups for Parents?

We know that being a parent isn't always easy and unfortunately children & teenagers don't arrive with a handbook.

But our FREE groups can help with providing advice & support on;

- Behaviour Management strategies
- Developing closer relationships with your child / teenager
 - Consequences & Boundaries
 - Exploring feelings & emotions
 - Building confidence & Self Esteem
 - Play & Stimulation

What can I expect from a group?

Lots of knowledge in a fun, friendly, non judgmental environment;

Meet other parents with similar issues that you are experiencing

And Tea, Coffee & Biscuits!!

Sounds Great! How do I book?

Just give us a call!
