It has certainly been a busy week!

After a week filled with focus and determination, our Year 6 pupils have completed their SATs. They should all be congratulated on their mature and conscientious approach throughout the week. Attention now turns towards the writing – we cannot wait to enjoy their creative skills on paper.

During form-based time this week, Year 5 have been busy! Pupils in 5HA have employed many skills from other subjects, as well as using their imagination, to complete a wide variety of tasks based on Harry Potter, the royal baby, healthy living and theme park designs. There have been some very impressive pieces of work produced. 5CA have been learning and using sign language to communicate; they have also produced some fantastic new inventions including unicorn bikes and house-chore robots!

We thank God for the blessings we have received this week.

This week KS3 have been doing a great job of supporting the Year 6 SATS. It isn't that long ago that the Year 7 and 8 pupils were in the same position. There have been lots of different activities happening-Dragon's Den, Theme Park planning, Mastermind, Super Heroes, as well as doing some GL testing ready for the next academic year. Mrs Wintle and Mrs James has been meeting with the different High Schools looking at transition for our Year 8 pupils, and St. Augustine's came in to talk to the Year 8 pupil about the Drama, Music and Business curriculum on offer in Year 9+.

Next week, our last week of the half term, will also be a busy, yet different week. Monday is a normal timetable but the rest of the week will involve the Talent Show, Mental Health Awareness day, and St Bede's day on Friday.
