8 November 2019

Dear Parents/Carer

We would like to invite you and your child to a FREE Science Family Learning Evening '**The Physics of Forces**' with Dr Jenny Watson of the Ogden Trust, at St Bede's Middle School, Holloway Lane, Redditch, B98 7HA. This will take place on **Wednesday 13th November** from 6pm to 7pm.

The evening is aimed at Year 6-8 pupils and their families. The intention of the evening is to engage them in Physics in a fun and accessible way. We would ask that at least one adult accompanies a maximum of two children.

The night will consist of an interactive 30-minute talk full of demonstrations, followed by the chance to try a number of activities yourself, including sitting on a hoverboard, making a CD hovercraft (please bring a 'Fruit shoot' bottle top if you want to keep it), balancing a helium balloon in mid-air, making a ping-pong ball hover etc.

If you and your child can come, please print out and complete the slip below and return it to Miss Horton's hands before 3.30pm on Monday 11th November. (Or put a note in your child's planner letting us know the number of adults and number of children attending and giving permission for the Ogden Trust to take photographs (or not) and ask them to show it to Miss Horton on Monday before 3.30pm.)

Note: There are only 30 spaces reserved for pupils and families from our school - which will be allocated on a first-come-first-served basis.

Kind regards

Miss A Horton
Head of Science
Head of STEM Faculty

Science Family Learning Evening – The Physics of Forces - Return directly to Miss Horton

I would like to reserve _____ child and _____ adult places for the Family Learning Evening on **Wednesday 13th November** from 6pm to 7pm at **St Bedes Middle School**.

I am happy for photos taken which include my child to be used in my child's school and Ogden Trust publications/website (obviously without his/her name).

Child's Name: _____ Class _____

Signed: _____
