Dear Friends of Midlands Air Ambulance

Thank you for your kind donation of £629.87 in support of the lifesaving work of Midlands Air Ambulance Charity, raised with regard to your colleague, Sheila Vale. All donations, large or small, make a significant contribution to providing our aircrews with equipment, training and medical supplies to enable them to deliver the very best patient care in your region.

Since 1991 the charity has responded to more than 50,000 missions averaging 2,000 per year, making us one of the longest established and busiest air ambulance organisations in the UK.

Without your support, none of this would be possible, as the charity receives no Government or National Lottery funding. Each year we start with zero and need to raise in excess of £9 million to keep our three air ambulances operational, which is donated entirely by the public and local businesses, with four in ten missions funded by Gifts in Wills.

If you require any further information regarding Midlands Air Ambulance Charity, please do not hesitate to contact us on the telephone number below or visit our website at [www.midlandsairambulance.com](http://www.midlandsairambulance.com).

Thank you for your support.

Yours sincerely

**On behalf of Midlands Air Ambulance**

**Receipt No: 1144085/GGB102569**  
**Received With Thanks**
