

### Pupils of the week

These pupils have been selected as they have gone above and beyond or shown outstanding work before half term. It is great to see new names again being included. There are also names who have been consistently on the list, which shows they have not let their high standards drop.

Each week we will update the list with new names, well done to all those who have been included below. If you have not been included this week, your target is to get on next week's list! All of us are so impressed with the work we have received so far. Keep it up!

<u>Pupils' name</u>	<u>Form class</u>	<u>Reason for nomination</u>	<u>Member of staff nominating</u>
