

Technology Challenge Results

Many thanks to Nicole in 7MDI who thought up and assisted in the judging of the Lego house challenge. We had some amazing designs sent in, clearly demonstrating how creative our wonderful students are. As voted for by the technology department, and Nicole, our top three came out as:

1st place: Jessica D 5CAL

2nd place: Hazel Crompton 5CAL

3rd place: Edward Kelly 7HFA

Many thanks for everybody who got involved. We encourage as many people as possible to play with Lego as it is such a fantastic tool to develop creativity and engineering skills. Feel free to send pictures of anything else you have made as we love to see them!
