

## Staggered Times of the Day

Government guidance states that we need to ensure social distancing whilst travelling to and from school, as well as when being in the school building. Therefore, in order to support social distancing, we have to stagger start times to school, end of the school day and break and lunchtimes. We will be reviewing this situation at October ½ term.

Our school day will be as follows:

Your child must not attend school prior to their designated time. We do not have the space or staffing to allow pupils to be on site before their specified time.

Before and after school club will be operating extended hours to support parents.

Key's Coaches will be dropping coach pupils at school at 8.45am and will be collecting them from school at 3.10pm. Provision will be made for Key's Coaches pupils if their start time is later than 8.45am. As we only have one safe entrance and exit point from school, we need to adhere to these staggered start and finish times. We understand that this is a different situation for us all but we hope that you can support us in adhering to these government guidelines.
